

our Collection & guide

How it works

Take a little browse

Take a look at our collection to see what it is we have and find what it is you're looking for - Everything baby needs is right here.

Send us a message

If you have any questions or know what it is you want, you can simply send us a WhatsApp message at **072 125 7824** to get started.

Let's arrange

We'll sort out the handover together — you can either collect your goodies from us or we'll deliver them right to your door. And when your holiday's over, you can swing by to return them, or we'll come fetch everything from you.

Payment

Once all above is done and dusted, we'll send over an invoice, and once it's paid, your booking will be confirmed.

We'll treasure hunt it down!

If there's something special you're looking for that isn't in our collection, let us know — we'll do our best to track it down just for you and your little one!

A little nest egg

For bookings over **R1,000** we ask for a small deposit — just **20%** of your total. This helps us hold your spot and get everything ready! Please note, this deposit is non-refundable.

Our clean-up rule

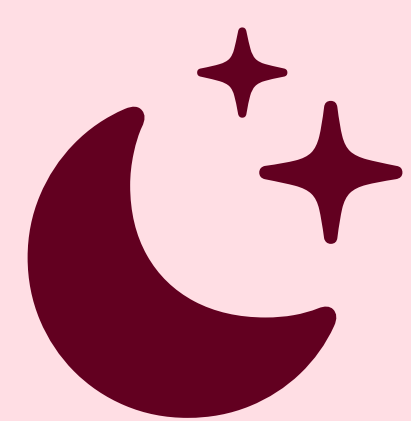

If you bring the item back just as neat and clean as when it left us, there's no cleaning fee at all! But if it returns a little messier than expected, we'll need to charge a small **R90** cleaning fee to freshen it up for the next little adventurer.

A full day of fun

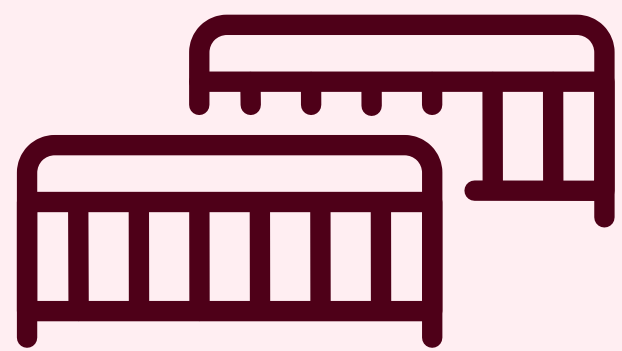

If your item is still out exploring past 12PM (midday), we'll count it as a full day. To avoid the extra day charge, just be sure to return or have us collect your goodies before noon!
